COMMERCIAL EXTERIOR IMPROVEMENT GRAND APPLICATION

721 W 21st Street, Connersville, IN 47331 | (765) 827-1366 | edg@edgconnersville.com

Program Guidelines

- CUEA pays 50% of the total project costs with a \$2,500.00 maximum on a pre-approved project.
- Application must be approved (or rejected) in writing. It is recommended that you apply project work beginning.
- A cost estimate in the form of a contractor's bid must accompany application along with a "before" photo. Estimates must include materials/products lists and labor cost breakdown. Owner makes selection of contractor.
- Eligible projects include exterior painting or cleaning; historic restoration; awnings; roofs; and guttering and replacement of windows. Ineligible projects include signage and sidewalks. Exterior improvements must follow style approved in downtown design plan. If the building is in an historic district, a Certificate of Appropriateness must be obtained prior to starting work.
- A contractor registered with the city must do construction work and any necessary permits must be obtained prior to applying.
- CUEA will rebate the property owner after work is complete and a final bill is submitted and copies of cancelled checks for applicant's half are provided. An "after" photo must also be submitted.
- All work must be completed and funded within six months of application approval. A three-month extension may be available upon request.
- Grants are only available one time per calendar year per individual or company.
